

# Classroom 360° Autism Teacher Training

**August 2 - 6, 2010**  
9:00 am - 4:00 pm  
(each day)

Classroom 360° is an intensive 5 day training in the use of research based strategies to address the critical areas of instruction for students with autism. Areas addressed: ABA, Structured Teaching, Communication, Positive Behavior Supports, Use of Technology. The focus and materials are designed to address the needs of students with moderate to severe autism in elementary classrooms although strategies are effective for middle school and secondary students as well as students with M.R.

## **Audience:**

Counselors, Diagnosticians, General, Education Teachers, LSSP, Occupational Therapists, Paraprofessionals, Parent/Community, Physical Therapists, Special Education, SLPs
