What functions should be included in the budget summary report for the per student and aggregate spending on the defined areas? Will the per student be based on student enrollment or ADA?

The summary of the budget should be presented in the following function areas.

- (B) Instructional Support – functions 21, 23, 31, 32, 33, 36**

There have been questions as to how you report your previous year's budget and your proposed budget. We would interpret this to mean all funds that comprise the budget (not just those officially reviewed by the board); but, the statute is not definitive in regards to this question.

The most accurate approach would be to include all funds, but if you show only 199, 240, and 599 in your proposed budget, use only those funds for the previous year's budget. Consistency in how you report budget comparison is an important consideration.
