We invite parents and interested persons to attend

The meetings will be hosted by Region 18 Education Service Center to gather information for the Texas Education Agency (TEA). The public is invited to attend and give feedback on questions relating to special education programs in Texas.

Meeting Format

- To obtain feedback on topics aligned with the (SPP) State Performance Plan on special education, and
- Needs assessment data at the regional and state levels.

Final:

Comments and suggestions generated at the meeting will provide feedback and data for the (APR) Annual Performance Report compiled by TEA and to support state and regional planning.

Discussion Questions:

Information will be requested for the following three questions:

1. What activities and practices can schools implement to encourage parent involvement that will improve student outcomes?
2. How can positive behavior supports be implemented by parents, schools, and local agencies to keep students with IEPs in their classrooms?
3. What do ARD Committees need to discuss in order to help students with IEPs improve performance in grade level reading and math?
